CASE NO. 2:23-cv-00223-RSL

## ORDER DENYING MOTION FOR RECONSIDERATION

On April 24, 2023, the Court denied plaintiff's motion for remand, finding no unmet requirement for the removal. Plaintiff filed a timely motion for reconsideration. He again fails to show any defect in or unmet requirement for removal, however. The federal courts clearly have subject matter jurisdiction, making remand inappropriate. The motion for reconsideration is DENIED.

Dated this 9th day of May, 2023.
